Dear Vietnamese Families and Community Members:

I would like to express my thanks for all the support the Vietnamese community has given the youth group and I this summer.

I came into this job wanting to gain better experience with working with all Vietnamese families. I know that the preservation of our culture is very important, and the passing of this culture to the next generation has always been one of my integral goals for me. I feel that bringing interconnectivity amongst youths is the first step for the preservation of our culture.

I could not have done this job without the support of Anh Trang Nguyen and Chi Lien Truong who made this all possible. Their hard work this year allowed us to get jobs this summer that hired 2 youth coordinators and 2 youth workers. They supported us through advice, suggestions, and finances.

I also would like to thank Chu Lan Truong and Chu Ha Ho who was always around to lend us equipment so that we can properly fundraise at our car wash and yard sale fundraisers. Without their help, the youth group would not have the funds to have many events this summer.

Finally, I want to thank the Vietnamese community, whose support has motivated the entire youth group in having events throughout the summer. I especially want to thank the youths who came out and volunteered at the events. At the Harvest Moon Festival, the youths will be given out certificates and letters of reference. Some youths who qualified for the Youth Achievement Award will be given prizes.

Although the summer youth group is coming to an end, rest assured that we will continue to have more frequent events throughout the year.

Thank you for all the support!

Matthew Ngo
